Helping Your Story Become News in Front of the Right Audience

Focused Distribution – Japan

Focused News Distribution List

Japan – Japanese Language Translation Required

Focused distribution to reach Japan. This circuit offers precise delivery to the most complete distribution of the region.

Includes posting to all media outlets, financial websites, databases, and news agencies (newspapers, magazines, TV, radio) as well as email to reach journalists, bloggers, and other online audiences.

Our Distribution Lists Contain No Artificial Fillers.

Driven by a commitment to transparency, our global distribution lists are honest, accurate, and easy to understand. That's why our lists are compact and concise, rather than artificially inflated.

When judging the authenticity of distribution lists, it's good to know how Newsfile's approach sets a different standard based on getting results you can trust.
